HW-1/23/19

① Find the area of the following rectangles

a) 8 in, 3 yds

b) 2 m, 52 cm

② A square + a rectangle have the same area. If the rectangle has dimensions of 18 ft by 200 ft, what is the perimeter of the square?

③ Find the area of the following triangles:

a) b = 10 ft, h = 2 ft

b) b = 8 in., h = 2 ft.
